DON'T WORRY, WE GET THAT A LOT!
DURING THE MEIJI (1868-1912) ERA, HE MADE A FORTUNE IN FOREIGN TRADES.
HE BELIEVED IN LANGUAGE SKILLS AS AN ESSENTIAL PART OF DOING BUSINESS WITH THE REST OF THE WORLD, THUS HE FOUNDED SLA.
Well he did have the foresight...
EH!?
LET ME GUESS, YOU THOUGHT THAT THIS PLACE IS TOO GAUDY TO BE A LEGIT LANGUAGE SCHOOL, HUH?
BLUNT
IS... IS THAT SO?
THAT'S BECAUSE HE ALSO BELIEVED THE BEST ENVIRONMENT CREATES THE BEST STUDENTS!
TRUTH BE TOLD, MOST OF OUR STUDENTS COME FROM AFFLUENT FAMILIES.
But still, this is a bit of an overkill I think!

ナイジェル・ローズ Nigel Rhodes

Nationality: American

Age: 23

Personality: Nigel is way more mature than his age probably due to his skipping grades in high school and college.

Imai's notes: For someone his age, Nigel has years of experience under his belt, especially in simultaneous translation! Other than Japanese, he can also translate multiple languages! A rare multilingual! He has also a rare skill, which will be revealed later in the story... Though he's a genius, he appreciates hard work. He's indeed a patient and kind instructor... except when facing Shiga-san. His attitude to Shiga-san is still a mystery to me!

Siegfried Hugo Fergus

Nationality: British

Age: 25

Personality. He might seem aloof and sometimes even cold. More often than not, people couldn't tell the mood he's in. But he can get along with almost everybody!

Imai's notes: Hugo was raised by his grandma, who has great influence over him. He loves to read. The reason he keeps long hair is for his grandma's sake. She once mentioned, "such beautiful hair, don't cut it!" He's mature and Andy especially looks up to him. However, he is constantly arguing with a certain French instructor. Whenever they meet in the parlor, they always bicker with each other. If they would both take a step back, SLA would be much more peaceful.

HUH?

HE COULD TRULY RELATE WITH THE DOLPHINS ..
Dolphins and their trainers communicate without words, Nigel!
They communicate in signs and gestures like sign language!

When two hearts are connected, you don't need words to understand each other.
Just like us!
But that's not all!
We have a "heart to heart connection"—
Nigel...

YOU NEED TO UNDERSTAND THE CULTURE BEHIND THE LANGUAGE YOU'RE LEARNING TO TRULY APPRECIATE IT AND IMMERSE YOURSELF IN IT!
THE SAME PRINCIPLE APPLIES IN MASTERING A FOREIGN LANGUAGE.
IN FACT, WORDS ARE ARTIFICIAL!
ALWAYS REMEMBER THIS, YUUNOSUKE, AS YOU CONTINUE TO LEARN THE ENGLISH LANGUAGE;
LANGUAGE IS A TOOL TO COMMUNICATE WITH A STRANGER.
THE BETTER YOU ARE, THE DEEPER YOU'LL UNDERSTAND YOUR PARTNER.

HOWEVER, THE DEEPEST UNDERSTANDING LIES IN THE HEART, THE HEART TO HEART CONNECTION!
WITHOUT THAT, EVEN IF YOU SPEAK PERFECT ENGLISH, IT'LL BE NOTHING BUT SUPERFICIAL.

Imai's notes: Born in Puerto Rico, Diego loves spicy food! Actually, he loves food indiscriminatingly! As long as he could keep playing soccer, he doesn't mind traveling anywhere in the world! As an instructor, he's popular with his students. He expects his students to study hard and play hard! His teaching style is also very effective. However, he enjoys teaching too much his students try to mimic his Spanish accent! Though I had reminded him several times, he still does as he pleases! I'm at my wits end!

His English proficiency in business has improved tremendously! And with further instructions from Nigel, he'll sure improve even more!

SPRING GARDEN / END

Afterword

Greetings Everyone!
Thank you so much for picking up this book!

This time I decided to do a comedy. How do you like it?
At first, I was hoping to display all the International colors...
I spent countless hours researching for my character profiles.
But I quickly realized, as I dig in more and more into
the different cultures, it's a bottomless pit. There're
simply too many things that I don't even know exist,
even for my own culture... (lOl) I was only barely
scratching the surface! But as this project progressed,
I also learned a lot about the world!

Back to the subject, to master a language is no easy task!
I couldn't even claim I've mastered Japanese... not to
mention English... and I had studied 8 years worth (lOl)!
When I travel aboard, I still rely on gestures! I even included
those funny incidents into my story. I hope I had managed
to put a smile on your face!

I also want to mention, it's fun to pick up a foreign language.
I hope everyone will do that after reading this manga!
I'll be more than flattered!
In this project, I received tons of help from everyone!
Thank you all! Please keep your support coming!

Also, together with the publication of this manga is the release of the drama CDs. It followed the manga very closely. The voice actors were outstanding. It was such a treat to watch them make the CDs. The emotional scenes made me cry..
Those actors are indeed professional.
I hope everyone will check it out.
Don't miss the joyful CDs.

Last but not least, I think everyone has guessed it that this is only the beginning. I'm planning on making a story for the other instructors, too.

Until next time...
Bye~

It'd be nice if you color us~
As long as you color that French dude MORON!
My family forbids displaying one's skin in public so I've to put on a skin suit.
I-I'm embarrassed...
YOU DON'T KNOW WHO'S THE STRONGEST! Fufufufu...
